TALKING UP TALKED DOWN
TECHNOLOGY!

MySQL
WHAT IS IT?

MySQL3

TIME & PLACE

A photograph of a fluffy white kitten and two yellow ducklings on a paved road. The kitten is on the right, looking towards the left. Two ducklings are on the left, facing right. The background is a blurred green field.

PHP 3
WHAT IS IT?

A photograph of two dogs standing side-by-side against a dark background. On the left is a white dog with tan markings on its face and ears, sitting with its front paws tucked under its body. On the right is a brown dog with tan markings, standing with its front paws visible. Both dogs have their tongues slightly out.

VISUAL BASIC
WHAT IS IT?

VISUAL BASIC TIME AND PLACE

The background of the image is a close-up view of a lush, tropical forest floor. Large, vibrant green fern fronds dominate the foreground, their long, ribbed leaves reaching upwards. Interspersed among the ferns are smaller, more delicate green leaves and some brown, dried-out foliage. The lighting is natural, filtering through the canopy above, which creates a dappled effect of light and shadow on the plants.
